Horizon Yachts

Horizon Yachts has a trio of yachts making their debut in Fort Lauderdale, offering a broad range of models to appeal to buyers. Catering specifically to the U.S. market, the FD and E series are stylish and offer spacious living areas, taking superyacht amenities to the next level. The FD100-911 (101' 6" LOA, 23' 3" beam) boasts five staterooms, a skylounge, a Jacuzzi, and an ocean-inspired design. The FD80-614 (82' 7" LOA, 22' 6" beam, shown) features four staterooms, a split-use skylounge with a modern interior design, and a Jacuzzi. The E90-923 (95' LOA, 21' beam) Skylounge offers luxury with four staterooms, a beach club, and extensive entertainment features. All three models are powered by diesel engines from CAT, providing a strong cruising range. horizonyacht.com
