

HORIZON FD110 TRI-DECK

Experience the commanding Horizon FD110 Tri-Deck at the 2026 Fort Lauderdale International Boat Show. Designed for effortless entertaining and extended cruising, this exceptional superyacht pairs expansive decks and refined interiors with a five-stateroom layout, an on-deck master suite, enclosed sky lounge, and fully equipped beach club. Visit Horizon Yacht USA at Bahia Mar's Face Dock, slips 600-606, to step aboard and discover the FD Series' signature volume and style. ***horizonyacht.com***

HORIZON POWER CATAMARANS PC68A

Purpose-built for accessible cruising, the Horizon PC68A integrates mobility features throughout the yacht, including a retractable boarding ramp, widened gates, hydraulic platform and a fully integrated elevator connecting the master suite, main deck, flybridge and Portuguese Deck. The 68-foot power catamaran pairs its accessible design with a Silent Living Package, 2,000 Ah battery bank and twin 850 hp MAN engines, delivering a 20-knot cruise and approximately 25-knot top speed. ***horizonpowercatamarans.com***
